Initiative to the People

Initiative Measure No. 2066

This measure would repeal or prohibit certain laws and regulations that discourage natural gas use and/or promote electrification, and require certain utilities and local governments to provide natural gas to eligible customers. Should this measure be enacted into law?

⬤ YES

Initiatives to the Legislature

Initiative Measure No. 2109

Initiative Measure No. 2109 concerns taxes. This measure would repeal an excise tax imposed on the sale or exchange of certain long-term capital assets by individuals who have annual capital gains of over $250,000. This measure would decrease funding for K-12 education, higher education, school construction, early learning, and childcare. Should this measure be enacted into law?

⬤ YES

Initiative Measure No. 2117

This measure would prohibit state agencies from imposing any type of carbon tax credit trading, and repeal legislation establishing a cap and invest program to reduce greenhouse gas emissions. This measure would decrease funding for investments in transportation, clean air, renewable energy, conservation, and emissions reduction. Should this measure be enacted into law?

⬤ YES

Initiative Measure No. 2124

This measure would provide that employees and self-employed people must elect to keep coverage under RCW 50B.04 and could optout any time. It would also repeal a law governing an exemption for employees. This measure would decrease funding for Washington's public insurance program providing long-term care benefits and services. Should this measure be enacted into law?

⬤ YES
