ISSUES

DEMOCRAT

REPUBLICAN

ISSUES	DEMOCRAT	REPUBLICAN
LIFE & ABORTION	<p>“President Biden, Vice President Harris, and Democrats are committed to restoring the reproductive rights Trump ripped away. With a Democratic Congress, we will pass national legislation to make Roe the law of the land again. We will strengthen access to contraception so every woman who needs it is able to get and afford it. We will protect a woman’s right to access IVF. We will repeal the Hyde Amendment.”</p>	<p>“We proudly stand for families and Life. We believe that the 14th Amendment to the Constitution of the United States guarantees that no person can be denied Life or Liberty without Due Process, and that the States are, therefore, free to pass Laws protecting those Rights ... We will oppose Late Term Abortion, while supporting mothers and policies that advocate Prenatal Care, access to Birth Control, and IVF (fertility treatments).”</p>
MARRIAGE & SEXUALITY	<p>“President Biden is committed to leading the most pro-equality Administration in history. Democrats passed and President Biden signed the historic Respect for Marriage Act, enshrining marriage equality in federal law ... Democrats will pass the Equality Act to codify protections for LGBTQI+ Americans and their families. We will prohibit employment discrimination in the federal government, and make federally-funded seniors programs LGBTQI+ inclusive.”</p>	<p>“We will keep men out of women’s sports, ban Taxpayer funding for sex change surgeries, and stop Taxpayer-funded Schools from promoting gender transition, reverse Biden’s radical rewrite of Title IX Education Regulations, and restore protections for women and girls. Republicans will promote a Culture that values the Sanctity of Marriage, the blessings of childhood, the foundational role of families, and supports working parents.”</p>
ISRAEL & FOREIGN POLICY	<p>“President Biden and Vice President Harris believe a strong, secure, and democratic Israel is vital to the interests of the United States. Their commitment to Israel’s security, its qualitative military edge, its right to defend itself, and the 2016 Memorandum of Understanding is ironclad. President Biden and Vice President Harris recognize the worth of every innocent life, whether Israeli or Palestinian.”</p>	<p>“We will stand with Israel, and seek peace in the Middle East. We will rebuild our Alliance Network in the Region to ensure a future of Peace, Stability, and Prosperity ... Republicans condemn antisemitism, and support revoking Visas of Foreign Nationals who support terrorism and jihadism. We will hold accountable those who perpetrate violence against Jewish people.”</p>
HEALTHCARE	<p>“Health care should be a right in America, not a privilege. Every American deserves the peace of mind that quality, affordable coverage brings. We’ll never quit fighting to protect and expand the Affordable Care Act, making quality care more accessible and affordable, as the Biden-Harris Administration has done. As Democrats, we support Medicaid expansion, encouraging states to provide health coverage to low-income Americans on the federal government’s tab.”</p>	<p>“We commit to reducing Healthcare costs, while lowering everyday expenses, and increasing opportunities. Healthcare and prescription drug costs are out of control. Republicans will increase Transparency, promote Choice and Competition, and expand access to new Affordable Healthcare and prescription drug options. Republicans will support increased focus on Chronic Disease prevention and management, Long-Term Care, and Benefit flexibility.”</p>
IMMIGRATION & BORDERS	<p>“In President Biden’s second term, he will push Congress to provide the resources and authorities that we need to secure the border. This includes additional border patrol agents, immigration judges, asylum officers, cutting-edge inspection machines to help detect and stop the flow of fentanyl, and funding for cities and states that are sheltering migrants ... Democrats believe that asylum processing should be efficient and fair, and that those who are determined not to have a legal basis to remain should be quickly removed.”</p>	<p>“Republicans offer an aggressive plan to stop the open-border policies that have opened the floodgates to a tidal wave of illegal Aliens, deadly drugs, and Migrant Crime. We will end the Invasion at the Southern Border, restore Law and Order, protect American Sovereignty, and deliver a Safe and Prosperous Future for all Americans. Republicans will restore every Border Policy of the Trump administration and halt all releases of Illegal Aliens into the interior. We will complete the Border Wall ... and use advanced technology to monitor and secure the Border.”</p>
RELIGIOUS FREEDOM	<p>“We will combat hate crimes and white nationalist terrorism. We will prioritize the investigation of hate crimes against trans and non-binary people. And we will continue to increase security at houses of worship. President Biden deeply believes everyone must be able to practice their faith without fear. That’s why Democrats will protect the First Amendment right to free exercise of religion for everyone, and we will maintain the separation of church and state.”</p>	<p>“We are the defenders of the First Amendment Right to Religious Liberty. It protects the Right not only to Worship according to the dictates of Conscience, but also to act in accordance with those Beliefs, not just in places of Worship, but in everyday life ... we respect the Right of every American to follow his or her deeply held Beliefs. To protect Religious Liberty, Republicans support a new Federal Task Force on Fighting Anti-Christian Bias that will investigate all forms of illegal discrimination, harassment, and persecution against Christians in America.”</p>
ENVIRONMENT	<p>“President Biden is delivering on the most aggressive climate agenda in history. His landmark legislation has unleashed a clean energy boom that’s slashing pollution, lowering energy costs, and has already created over 300,000 good-paying American clean energy jobs. America is now producing more energy than ever in its history. He has taken more environmental actions than any president before him – providing cleaner air and water, making communities more resilient, and forcing polluters to pay for the damage they’ve done.”</p>	<p>“Republicans will unleash Energy Production from all sources, including nuclear, to immediately slash inflation and power American homes, cars, and factories with reliable, abundant, and affordable Energy. Republicans will increase Energy Production across the board, streamline permitting, and end market-distorting restrictions on Oil, Natural Gas, and Coal. The Republican Party will once again make American Energy Independent, and then Energy Dominant, lowering Energy prices even below the record lows achieved during President Trump’s first term.”</p>
